1979-80 Season in Review

The 1979-80 season bridged the gap between one decade and another for WIBC by becoming both a season of continuity and a season of firsts.

During the Congress's 63rd year, the traditions and pageantry of the WIBC Championship Tournament and Annual Meeting were once more carried out in all their splendor and excitement. WIBC's awards and service programs continued to reach members at all levels of the game, and fund raising for the National Bowling Hall of Fame and Museum, already a prime project for several seasons, continued to unite them toward a common goal.

WIBC celebrated a number of "firsts" during the season as well. The WIBC Queens Tournament enjoyed outside sponsorship for the first time as Avon Products, Inc., the world's largest direct selling beauty firm, joined the world's largest women's sports organization in sponsoring the premier match game event for higher average women bowlers. In addition, the Queens received first-time national television coverage via the Entertainment and Sports Programming Network (ESPN).

In WIBC Championship Tournament action, the team title went to All Japan, Tokyo, Japan, the first foreign fivesome to win the event, and only the second foreign champion in tournament history.

Other headlines from 1979-80 included an outstanding performance by the U.S. women's team in international competition, scoring records in league and tournament action, and the naming of two outstanding bowlers to the WIBC Hall of Fame.

ANNUAL MEETING

A total of 1,328 delegates convened April 28-30 in the Seattle, Wash. Center Arena for the 63rd WIBC Annual Meeting. The delegates adopted 14 of 23 proposed amendments to the WIBC by-laws and playing rules and rejected seven.

Two amendments dealing with lane certification, which were contingent upon positive action by American Bowling Congress delegates on similar proposals, were withdrawn.

In addition, the complete revision of the mandatory form of bylaws for state

associations was approved.

The delegates also approved the report of the junior bowling unification committee stipulating that it be implemented during the 1982-83 season. That report, which later received approval from the Bowling Proprietors' Association of America at its convention, set forth recommendations for the structure of the new program uniting the American Junior Bowling Congress and BPAA's Youth Bowling Association.

A surprised delegation heard Mrs. Alberta E. Crowe, WIBC president since 1960, announce that she would not seek re-election to an eighth term as WIBC's top official at the 1981 WIBC Annual Meeting in Baltimore, Md. Mrs. Crowe will officially leave her post July 31, 1981.

Nine incumbent WIBC board members were returned to office for three-year terms. They were: Mrs. Helen Baker, Cocoa Beach, Fla., first vice president; Mrs. Gladys Banker, Charles Town, W. Va., fourth vice president; Miss Dorothy Rowe, Phoenix, Ariz., seventh vice president; and directors Miss Jo Smith, Devils Lake, N.D.; Mrs. Clara Morton, Powell, Tenn.; Mrs. Irene Kreidler, Oyster Bay, N.Y.; Mrs. Margaret Howell, Rome, Ga.; Mrs. Eleanor Meeks, Fort Benton, Mont.; and Mrs. Sylvia Broyles, San Antonio, Texas.

The delegates were firm in their opinions about the sites of future WIBC events. Las Vegas, Nev., was selected over Toledo, Ohio, as the location for the 1983 tournament and convention. Niagara Falls, N.Y., got the nod, also over Toledo, for the 1984 events.

The annual meeting is also the traditional place for WIBC's Hall of Fame induction ceremonies, and at the 1980 convention two champion women bowlers were formally inducted into the honor group.

Dotty Fothergill, Lincoln, R.I., and Marge Merrick, Columbus, Ohio, were selected by the WIBC Board of Directors for inclusion in the Superior Performance category. They brought to 73 the total number of women named to the hall since its inaugural year in 1953.

Mrs. Alberta E. Crowe, WIBC president, acknowledged the applause of the more than 3,000 delegates to the WIBC Annual Meeting in tribute to her dedicated service to WIBC. Mrs. Crowe had just announced she would not be a candidate for re-election in 1981. Flanking Mrs. Crowe were Miss Elaine Staley, WIBC parliamentarian (left), and Mrs. Helen Baker, WIBC first vice president.

CHAMPIONSHIP TOURNAMENT

Women bowlers from all 50 states and four foreign countries entered the 61st annual WIBC Championship Tournament in Seattle, Wash. The entry of 8,429 five-woman teams was fifth largest on record. The prize fund of $684,034 was third largest in WIBC history.

Two bowling centers hosted the event. Leilani Lanes was the site for team competition, and the doubles and singles were staged at Kenmore Lanes. The tournament schedule spanned 70 consecutive days from April 3 to June 11. Only two WIBCs have run longer.

All Japan, Tokyo, Japan, earned the 1980 team championship with a surprising performance. Shooting 3014, fifth highest total in tournament history, the Japanese quintet easily outscored the high powered American fivesomes. Their 1065 third game not only sealed the victory, it ranked ninth on tournament records.

Japanese teams had competed in every WIBC since 1969, but had never before challenged for the five-woman title. Previously, only individual Japanese bowlers had done well, principally Akiko Yamaga, who became WIBC's first foreign champion by winning the 1977 singles and all events titles.

Four professionals and one nonpro comprised the All Japan lineup.

Lead-off bowler Kazuko Inouye, led the team with 673. Also bowling 600 sets were Masayo Nagai, with 618, and Kazue Inahashi, with 603. Anchor bowler Kazumi Kimura had 591 and Hidemi Mizobuchi, the nonpro, added 529.

Rolling to the singles title was Betty Morris, Stockton, Calif., who became the first woman in 57 years to win back-to-back crowns in that event. Mrs. Morris duplicated her 1979 title-winning singles effort with a 674 series in 1980. She had shot 699 the year before.

Mrs. Morris earned her fifth career WIBC title with games of 245, 185 and 244. She became only the seventh WIBC title winner to successfully defend her championship the following year. The last singles titlist to repeat had been all-time great Emma Jaeger, Toledo, Ohio, who won her third straight singles title in 1923.

Cheryl Robinson, Van Nuys, Calif., captured the all events crown with an 1848 nine-game total. It was the first WIBC title for the veteran professional, who fashioned series of 600 in the team event, 613 in doubles and 635 in singles. Ironically, Mrs. Robinson succeeded Mrs. Morris, her doubles partner, who had been the 1979 all events winner.

Two New York staters combined to win the doubles title. Dawn Raddatz, E. Northport, and Carole Lee, Hempstead, totaled 1247 to outdistance all other competition. Mrs. Raddatz provided the biggest scoring punch with a 660 series on 226, 211 and 223. Mrs. Lee, a lefthander, rolled 587, including a 255 opening game.

Title winners at the 1980 WIBC Championship Tournament were: (clockwise from left) Dawn Raddatz and Carole Lee, doubles; All Japan, (l to r) Hidemi Mizobuchi, Masayo Nagai, Kazue Inahashi, Kazuko Inouye and Kazumi Kimura, team; Cheryl Robinson, all events; and Betty Morris, singles.

WIBC Queens champion, Donna Adamek, was interviewed after her victory by Entertainment and Sports Programming Network announcer Jim Roberts. John Hughes, director of special programs for Avon, is at right.

QUEENS TOURNAMENT

While Avon sponsorship and television coverage by a national cable network made the news off the lanes, Donna Adamek, Duarte, Calif., made the news on the lanes as she became only the third woman in WIBC Queens Tournament history to win consecutive titles.

Miss Adamek's victory earned her the $10,000 first place prize, richest of the year in women's bowling. The total Queens prize fund, $45,000, was also the largest in its 19-year history, thanks to additional funds added by WIBC and to Avon sponsorship.

Just as she had done the year before, Donna grabbed the top position in the stepladder finals by defeating all seven of her opponents in the match play portion of the event. And, just like the year before, she dominated the final game, this time defeating Cheryl Robinson 213-165.

A two-time Woman Bowler of the Year, Donna joined Mildred Martorella, Rochester, N.Y., the only three-time Queens champion, and Dotty Fothergill, Lincoln, R.I., as the only women to win successive Queens titles. Both Mrs. Martorella and Miss Fothergill are WIBC Hall of Fame members.

Donna averaged better than 205 in going undefeated in match play. Along the way, she rolled to key victories over Patty Ann, Arlington Heights, Ill., who had been the leading qualifier; Terri Russell, Bellevue, Wash., the local favorite who had looked strong; and Mrs. Robinson, the only other undefeated bowler at the time.

Both Cheryl and Terri fought back to join Donna in the stepladder finals along with Robin Romeo, Beverly Hills, Calif. As the television cameras recorded the action, Miss Romeo defeated Miss Russell 181-163 in the first match. In the second, Cheryl rolled to a 224-164 win over Robin to set up the final match with Donna.

The top eight Queens finalists and their total earnings, including match game and qualifying prizes, were: 1. Miss Adamek, $10,705; 2. Mrs. Robinson, $5,610; 3. Miss Romeo, $3,860; 4. Miss Russell, $3,015; Joan Oleske, Lyndhurst, N.J., $2,820; 6. Pat Costello, Union City, Calif., $2,365; 7. Nikki Gianulias, Vallejo, Calif., $2,165; and 8. Judy Soutar, Leawood, Kan., $1,680.

MEMBERSHIP

WIBC membership climbed over the four million mark for the fourth consecutive season during 1979-80, totaling 4,187,053 as of July 31, but for the first time since 1945-46 the count failed to set a record.

After experiencing 33 consecutive seasons of membership growth, WIBC's total number of members declined by slightly more than 45,000, or a decrease of 1.07 percent compared to the previous season. Sanctioned leagues totaled 168,718, or an increase of .29 percent.

Miss Flora Mitchell, WIBC executive secretary-treasurer, reported on the membership situation to delegates at the WIBC Annual Meeting and stated that the country's economy had a definite impact on WIBC membership rolls.

Miss Mitchell also discussed the situation in detail at the 1980 WIBC State Leaders Workshop July 12-13 in Milwaukee, Wis., where she asked the state leaders to work with local associations in encouraging league dropouts to return to bowling and to instigate "bring a friend" programs.

SCORING RECORDS

WIBC members rolled record scores and record numbers of scores during 1979-80. All-time WIBC marks

Setting a WIBC team game record during 1979-80 was the Ohio Twirling Institute team from Cleveland. Team members (l to r) Aggie Melchar, Charlene Bamert, Debbie Rainone, Jo Cihon and Susie Hummer combined for 1209.

Patty Ann established a new WIBC league average record, rolling at a 227 pace over 72 games in a Mundelein, Ill., bowling center.

were set for individual three-game series and five-woman team game. A new individual league average mark was set, and the number of perfect games reached an all-time high for the fifth consecutive season.

Polly Schwarzel, Cheswick, Pa., a 30-year-old bowling proprietor, established the new WIBC individual three-game standard when she shot 841 on March 1 at North Versailles Bowl in North Versailles, Pa.

Mrs. Schwarzel, who was seven months pregnant at the time, fired games of 266, 298 and 277 while competing for an amateur spot in the Bowling Proprietor's Association of America U.S. Women's Open. Polly won the spot and competed in the Open, one week before her baby was due.

Although Polly's score set the record, it was not the only record score in that category during the season. Less than three months earlier, Anne Splain, New Middletown, Ohio, had raised the standard to 831 on 257, 286, and 288. The old record had been 824 by Betsy Corrigan, Xenia, Ohio, during 1978-79.

Six other women also bowled 800 series during the season. They were: Sharie Langford, Whittier, Calif., 826; Bonnie Grater, Gilbertsville, Pa., 813; Connie Lowry, Greenville, S.C., 811; Carol Stoegbauer, Fond du Lac, Wis., 803; Jeanne Maiden, Willowick, Ohio, 801; Mary Miller, Watsonville, Calif., 800.

A Cleveland, Ohio, quintet was responsible for the new WIBC five-woman team game record. The Ohio Twirling Institute team tossed 1209 March 13 in Cleveland's Brunswick Ambassador Lanes Classic League. That topped the 1195 total posted during 1976-77 by The Vernors, Buffalo, N.Y.

Team members and their scores were: Debbie Rainone, 267; Susie Hummer, 176; Jo Cihon, 265; Aggie Melcher, 266; and Char Bamert, 235. The Twirlers' other team games were 998 and 1012, giving them 3219 which ranked second in the season. The Daffodil Bowl Gals of Valley, Wash., took top honors in that category with 3299.

Setting a new WIBC individual league average record was Patty Ann, Arlington Heights, Ill., who finished the season with a 227 average in the Mundelein Lanes Singles Classic League in Mundelein, Ill. Miss Ann's mark bettered the 222 average achieved by Barbara Thorberg, Florissant, Mo., during 1974-75.

An all-time high 78 perfect games were bowled by 73 WIBC members during 1979-80. That eclipsed the former high of 61 set during the

previous season. Five women bowled two 300 games each during the year. They were: Kathy LeCroy, Fort Worth, Texas; Jeanne Maiden, Willowick, Ohio; Cindy Mason, Sunnyvale, Calif.; Ruby Thomas, Abilene, Texas; and Debbie Bennett, Akron, Ohio.

FIQ WORLD CHAMPIONSHIPS

The U.S. women's team turned in a shining performance, winning two gold medals, as the U.S. squad came up with a four-medal performance at the ninth World Bowling Championships of the Federation Internationale des Quilleurs in Manila, The Philippines.

Held November 28 to December 8, the event attracted 30 nations to Celebrity Sports Plaza, a sparkling new bowling center, where the host nation came away with five medals, including four gold, to dominate the event.

U.S. women's team members were: Cindy Schuble, Louisville, Ky.; Sandi Tice, E. Seneca, N.Y.; Betty Maw, Buffalo, N.Y.; Jackie Stormo, Barstow, Calif.; Annese Kelly, Brooklyn, N.Y.; and Regina Hillier, Amarillo, Texas. They swept to gold medals in the new trio event and five-woman event, with record setting performances.

Rolling an FIQ all-time high 5667 six-game score, the five-woman team of Mrs. Schuble, Miss Tice, Mrs. Maw, Mrs. Stormo and Miss Kelly also set new marks in that event for three-game score, 2920, and single-game score, 1008.

The team of Mrs. Stormo, Miss Schuble and Miss Kelly combined for a six-game 3419 score to win the trio event. That score, and the team's 1721 three-game effort, were also considered records in the event, which was being contested for the first time.

Miss Kelly was the highest individual scorer of the group as she placed fourth in the women's individual competition, which was won by Lita de la Rosa of The Philippines.

The men's team accounted for the other two medals won by the U.S. squad with a third place finish for a bronze medal in the two-man event and a silver medal for second place in the three-man competition.

Annese Kelly, who led the U.S. women's team to the five-woman and three-woman titles at the ninth World Bowling Championships of the Federation Internationale des Quilleurs, received her gold medal and a kiss from FIQ president, Frank K. Baker. Her teammates (l to r) were: Cindy Schuble, Sandi Tice, Betty Maw, Jackie Stormo and Regina Hillier.

Sandi Tice coaxed a strike on the lanes at Celebrity Sports Plaza in Manila, The Philippines, site of the FIQ world event.

The National Bowling Hall of Fame and Museum will look something like this when the structure, to be built in St. Louis, Mo., is completed. Architect and design plans were approved during 1979-80 with groundbreaking set for the fall of 1980.

Joan Hollis, a WIBC member from Bermuda, where she is the Bermuda WBA secretary, was the women's titlist in the World Championships of Amateur Bowling held in Vienna, Austria.

INTERNATIONAL EVENTS

U.S. team member Sandi Tice also represented her country's women bowlers in the AMF Bowling World Cup event held in Bangkok, Thailand, October 22-28. The 1979 ACU-I women's collegiate champion finished a respectable third behind winner Bong Coo of The Philippines and Hattieann Morrisette of Bermuda.

A new international event, the World Championships of Amateur Bowling, was staged in Vienna, Austria, June 13-15. The winners were Joan Hollis of Bermuda, a WIBC member, and Meo Caffarati of Italy.

Miss Hollis and Canada's Barry Hamilton represented the American Zone in that competition. They earned their spots by winning the zone eliminations in Miami, Fla., May 31. Annese Kelly and Jack Wilson, Akron, Ohio, were the U.S. entries at the Miami eliminations.

HALL OF FAME

Fund raising and building plans for the new National Bowling Hall of Fame and Museum facility destined for St. Louis, Mo., developed significantly during 1979-80.

The "I Beat Earl Anthony" contest for junior bowlers, conducted by the American Junior Bowling Congress, resulted in more than $100,000 donated to the NBHF/M fund, which continued to be bolstered by contributions from WIBC members and the rest of the bowling family.

Albert R. Matzelle, former American Bowling Congress executive secretary-treasurer, was named executive director of the NBHF/M, and Bruce Pluckhahn was named curator. Pluckhahn, former ABC public relations manager, had been serving as NBHF/M project director.

Then, at season's end, it was announced that architect and design plans for the new facility had been approved. More good news followed with the release of a timetable calling for ground breaking in the fall of 1980. Construction will get underway in the spring of 1981, with completion of the building set for spring of 1982.

If all goes according to schedule, the completion date will coincide with the 1982 WIBC Championship Tournament and Annual Meeting, scheduled to be held that year in St. Louis. Tournament goers and delegates would then be among the very first to see the new shrine to bowling.

President's Report

Alberta E. Crowe

Seattle, Washington
April 28, 1980

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

Welcome to Seattle and the Great Northwest, home of Boeing, the world's largest manufacturer of commercial jet aircraft, and giant Mount Rainier, with its majestic beauty. Now we add the world's largest event in women's sports — the WIBC Championship Tournament.

It was almost three decades ago, in 1951, when Seattle was hostess to its first WIBC. The field consisted of 1,714 five-woman teams. They competed for 39 days at Ideal Recreation, an 18-lane center. The prize fund was $49,546. Our membership was just over a half million.

Today we are into the fifth week of our 61st national championship tournament in which more than 42,000 women are competing, making it the largest bowling event ever held on the West Coast. Instead of 18 lanes, we are using 86 in two beautiful centers — Leilani Lanes and Kenmore Lanes. The deluge of entries will keep our tournament going for more than 60 days. The prize fund is a staggering amount, $684,034.

While our national championship event is a healthy child, with a growth pattern in popularity bordering the phenomenal, many other problems beset us as I address you today. Not the least of these is our decreasing membership, affecting almost every local association. Also facing us is our concern for unrealistic scoring, our need for a unified program for our daughters and sons, a lane certification fee, and a firmer financial foundation for our National Bowling Hall of Fame and Museum.

Our membership has increased every year since 1945, a trend of which we can be proud. But while we had 4,232,143 women participating in WIBC sanctioned leagues last season, the percentage of membership has not been increasing the way you and I would like it to. We can still take heart, however, because there are women (five times our four million members) still out there, all potential bowlers for organized leagues, presently bowling perhaps only once or twice all year long (casual bowlers), according to the surveys.

Our slogan is "Bring A Friend" to the bowling centers. We owe them the opportunity to bowl as WIBC members, where they can share in the competition and the fun of league bowling. We must join with our proprietor friends to get those casual women bowlers interested in our game, help them improve their skills, pat them on the back, make them feel welcome and enroll them as full-fledged WIBC league members. We must keep looking for new and better ideas to bring more women into

our leagues. Keep the "Bring A Friend" theme alive in your area.

Good scoring is part of the fun of bowling, but when the scores produced are not the true result of skill, they are cheap, questionable and do not warrant our recognition awards.

It is a known fact that lane dressings and their application affect scoring more than anything. Surface hardness of the bowling ball is the third factor and the pins are the fourth factor.

The increase in the number of high series and high games has become a very real problem. Those who keep shouting that such scores are necessary to draw bowlers, and customers, cannot be thinking of the integrity and welfare of our sport of bowling! The damage threatens to be irreparable to bowling's image, which used to mean something!

Adoption of the lane certification fee is before you and I sincerely hope you will address this important matter in an affirmative way.

One year ago at our Tucson, Ariz., convention, a resolution was approved to bring to you, at this 1980 convention, plans pertaining to unification of the current junior youth program — the creation of a completely new organization for the young people who will be our leaders and our members in the years ahead. This program has been in the planning stage all season long. Many meetings and hours of discussions by many dedicated and conscientious leaders of our three groups (WIBC, ABC and BPAA) have gone into the preparation of the resolution, which was mailed earlier to you along with your notice of this meeting. Everyone had a positive attitude through the long meetings, an attitude that never faltered.

Ours is a great goal — to unite the boys and girls into one organization. Through the years, we have set many goals and laid the groundwork for WIBC's future growth. I sincerely ask that you give us your support on this very vital and necessary program. We no longer can afford to play tug-of-war with the junior and youth bowlers. We must put aside personal feelings, make some sacrifices, and look ahead to see the light at the end of the tunnel. It is there, if we will only look for it, and think of the kids, not of ourselves.

When our leaders determined, almost three years ago, that a national bowling shrine was needed, we had hoped that we might be further ahead than we are at this point. The National Bowling Hall of Fame and Museum, which you WIBC members have supported so enthusiastically, will be built and will become the entity we all are hoping for.

Its location in St. Louis, Mo., pleases us since St. Louis was the birthplace of WIBC, though that selection from a list of 32 interested cities did not affect the decision of the committee. I urge each of you to make the NBHF&M a top priority in your local and state association. Please support us with sales of the NBHF&M jewelry. Conduct League Score Benefit tournaments. Become imaginative in helping to raise funds. Consider memorial contributions as a final tribute to a loved one to whom our game meant as much as it does to all of us. There are many other ways you can team up with the men and proprietor leaders to raise funds.

You will notice coin containers at each scoretable at both centers here in Seattle where our tournament is being conducted. My sincere thanks to all of you local and state leaders who also placed coin containers around the centers in your own tournaments for the building of the NBHF&M.

Promotion of our NBHF&M is an industrywide effort joined by manufacturers, proprietors and other membership organizations such as the professional groups. With Chris Schenkel, noted television sports announcer as our honorary national chairman, it behooves all of us in the bowling family to continue contribution projects to bring our "shrine to bowling," to fruition. Our thanks to one and all who have contributed individually, or in numerous other ways.

Our board of directors and home office staff are continually working toward the development of services and projects that are of benefit to WIBC, to you leaders and to our members. We have the tools and we hope you will use them.

Now for some good news! For the very first time and after several years of trying to obtain television coverage for our prestigious Queens tournament finals, this has now been arranged. The Queens will be taped for cable TV from Kenmore Lanes in Seattle on May 17. Please watch your local TV listings for showing in your area and then write letters to your local outlet. Your letters of thanks mean so much, especially knowing that we will be hoping for continued coverage in all the years ahead. Your letters should be directed to: Mr. Chester R. Simmons, president, Entertainment Sports Programming Network (ESPN), Bristol, Conn. 06010. Please send me a copy.

It was also good news to have bowling recognized by the International Olympic Committee, though it does not mean inclusion in the Olympics program at this point in time.

On January 29, 1980, the Olympic Organizing Committee for the 1984 Olympic Games in Los Angeles, Calif., invited eight sports to make presentations to them. Bowling was one of the eight. If bowling is eventually selected as one of the two sports chosen, we would be permitted to conduct a demonstration event during the Games in 1984. The other 7 sports that made presentations were: baseball, softball, badminton, orienteering, roller-skating, tennis, and table tennis.

Our presentation was headed by Frank K. Baker, president of the Federation Internationale des Quilleurs (FIQ); Alberta E. Crowe, president of WIBC; Eero Routamo of Vassa, Finland, president of FIQ's tenpin division; Kenneth B. Hurley, ABC executive-secretary-treasurer; and Ralph Esposito, producer of televised bowling programs.

Another international event, the World Championships of Amateur Bowling, preceded by three zone eliminations in Asia, Europe and America, is planned with WIBC, ABC and Brunswick support. It will lead

to an NBC television program via satellite from Vienna, Austria, to be produced by Frank Esposito Enterprises. The United States will host the American Zone tournament May 30-31 and June 1 in Miami, Fla., with about 12 nations sending a male and a female entrant. Miss Annese Kelly of Brooklyn, N.Y., and Jack Wilson of Akron, Ohio, our top performers in the FIQ World event in the Philippines, will represent the United States.

Sandi Tice of West Seneca, N.Y., champion of the ACU-I finals held in Tucson, Ariz., on the WIBC lanes, also represented the USA in the AMF World Cup in Bangkok, Thailand, in October. Despite bruised and bleeding fingers on her bowling hand, Sandi brought back the third place medal and much praise for her spunky performance over the gruelling 47 games.

We are at the dawning of a new era as we enter the decade of the 80's, which economists predict could be a rocky one. We are faced with new challenges every day on almost every front. Keeping up with changing times is in itself a challenge. There have been technological advances in our computer world that have a place in the bowling game, thus making the work of association and league secretaries, as well as proprietors, easier.

The challenge to us at WIBC is to be objective in that you, the delegates, make the rules for WIBC, and the WIBC Board of Directors and staff then carry out the rules, policies and procedures of the organization as adopted. Thus, to continue as a great organization, we must be strong from a membership and a financial standpoint.

Continually working together at local and state levels (as we do at the national level) with all the integers of the game will benefit every one of us. As I have said so often, there should be no personalities in our work — petty personalities should be put aside — so as to work in a positive manner and solve problems amicably. In this way, our work becomes exciting and fun.

All of us are conscious of the high cost of everything, especially gasoline to get us from here to there and back. I suggest more car pools be used and when planning workshops, seminars, etc. try to locate them in central areas.

As I have said to you in the past, I urge that you constantly keep your ears tuned to your local and state governments' bowling tax efforts. And if you learn of pending legislation, join hands with the proprietors, men leaders and members and let the legislators know that you oppose a tax on bowling. If we can be of help, contact us immediately.

WIBC will continue to offer seminars and workshops to help educate and train leaders wherever possible and as often as possible. We are very pleased with the large number of leaders who attend.

A new film of instructional techniques has been produced by the National Bowling Council and is available for free loan from WIBC. Entitled "Bowling—The Right Approach," the 16mm, sound, color film features Virginia Norton, South Gate, Calif., one of our WIBC champions.

Our annual $250,000 contribution to the National Bowling Council is more than just a check. It is a demonstration of our belief that all the members of the bowling family are responsible to each other if we are to keep bowling in its rightful place in the recreation and leisure time of Americans today. Bowling has much competition in the sports world. Let's keep our game solid.

My thanks, as usual, go to our Board of Directors for their many contributions, cooperation, dedication and support during 1979-80 and to Miss Flora E. Mitchell and our home office staff. My thanks also to all the volunteer workers who help us so much during the season. We couldn't get the job done without them and each and every one of you leaders at our grass roots level — you are the greatest!

In concluding this President's Report, I have an announcement to make to you today. After having been your president for 20 years and having seen our WIBC grow from 1,543,000 in 1960 to over four million WIBC sanctioned members, I have decided that I shall not seek re-election for an eighth term in 1981.

Last week during our Board of Directors meetings I advised them. This has been a most difficult decision because I consider my service to WIBC and the entire bowling family to have been an exceptional honor and privilege.

I have a deep respect and admiration for all my colleagues and all those with whom I have worked over the years — also with you and the many others who have passed on.

Bowling and I have spent our lives together. I am still in good health and, while I am not retiring, I have decided that the time has come to move on to other things which interest me. I shall continue to serve bowling in any capacity and when requested to.

Our WIBC challenges are many — we need to create ideas that are new and vigorous and enthusiastic . . . we need to continue those programs and projects like the NBHF·M that are already started and that will need your continued effort for many years ahead.

I am making this announcement one year ahead of time so that our board of directors can prepare the direction needed when a new president takes the helm.

And sure, I shall leave office with a touch of sadness, naturally. During my stewardship I have always tried to do my very best for your interests — for all of bowling, and even worldwide — and to always be responsive to those whom I have served and to let my conscience be my guide.

I appreciate the support and encouragement I have always received from all of you, and I am humbly and deeply grateful to you delegates who placed me in this prestigious position and allowed me to serve seven terms.

Thank you very much.

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

Welcome to the "Queen City of the Pacific Northwest" and the 63rd Annual Meeting of the Women's International Bowling Congress.

As I make this report to you, my fifth as your executive secretary-treasurer, I see greater challenges ahead each day and a bright future for sanctioned women's bowling before us. Our organization has never been stronger and our leadership never more dedicated at all levels than it is in this, our 63rd year of operation.

The membership of WIBC during the 1978-79 season surpassed the four million mark for the third consecutive season. This season, 1979-80, we reached the four million plateau on March 11, 1980, slightly later than in the 1978-79 season. As reported to you in Tucson, our growth pace has slackened, and we again encourage you, the association leaders, to analyze your local situation and take steps to remedy any problems within your control.

On March 11, our membership was 4,001,735, a decrease over the previous season on this same date; but we had 134,565 sanctioned leagues, an increase of 490 leagues.

From the statistical reports there is no doubt the economy of the country has definitely had an impact on our membership rolls. Inflation has increased the percentage of women who have sought jobs to supplement the family income.

We are aware that many bowlers found their recreation dollar did not stretch as far as it had in the past, causing them to drop to one or two leagues a week, though they had bowled in three or four previously. Many women returning to the work force to help with the family budget were required to drop their daytime leagues and bowl in weekend or evening leagues. The bowling scene is changing drastically as our members adjust their lives to cope with the ever-changing economy and still retain their interest in bowling.

Early in the season, leagues had to deal with members resigning or teams dropping out, and we counseled with them to meet with the proprietor to work out the organizational problems that seemed to be more intense than in the past. With the proprietor and the bowling leaders cooperating and working together, many of the problems were resolved and in some cases, new formats were established that were satisfactory to all concerned.

Harmonious relationships between all members of the bowling family are key factors in our future. Harmony

however, doesn't just happen.

A great choir sings in perfect harmony, but it takes long and hard practice sessions. We have that kind of harmony in bowling today, and we must make diligent efforts to retain it. Work with the proprietors, with the men's association, and don't forget the collegians and junior associations. We must keep communication lines open.

The 1980 WIBC Championship Tournament opened its 70-day run on April 3. This is the third longest run of the WIBC showcase. The 61st tournament will include teams from all 50 states, Bermuda, Canada, Japan and The Phillipines.

The 1980 edition of the tournament will conclude on June 11, and will rank as the fifth largest tournament among all the events with 8,429 teams, 20,624 doubles, 41,248 singles, and optional all events of 37,944. Entrants will be competing for a share of the $684,034 prize fund, our third largest.

The traveling entry of 6,115 teams also ranks fifth for teams participating from outside the hostess state. States other than Washington with large entries are: Oregon, 830 teams; California, 746; Michigan, 271; Texas and Illinois, 266 each; and Colorado, 231. Leading associations in team entries, excluding Washington cities are: Greater Portland, Ore., 273 teams; Denver, Colo., 119; Minneapolis, Minn., and Eugene, Ore., 69 each; and Salem, Ore., 64.

As most of you delegates are aware, the choice times for bowling in the WIBC Championship Tournament tend to fill within the first week to ten days after entry forms are distributed. We know that many people are unable to make two trips to the hostess city, and every effort is made to accommodate the delegates, as well as all other WIBC members. Make your choices of dates and times early and submit your tournament entries by return mail.

On April 5, junior bowlers from the Greater Seattle area took to the lanes for the annual American Junior Bowling Congress handicap singles tournament.

The finals of the Women's National Intercollegiate Championships were conducted by the Association of College Unions-International on April 7. Twenty-four of the top women bowlers in collegiate ranks competed in this tournament, which is co-sponsored by Brunswick Corporation and WIBC.

Many of the top bowlers in the country will compete for the coveted title of champion of the 20th annual WIBC Queens Tournament. The 400 participants begin qualifying for the top 63 spots on May 13. Donna Adamek, the 1979 Queens Tournament champion, will be on hand to defend her title. This prestigious event will be held at Kenmore Lanes, May 13-17.

The 1981 WIBC Championship Tournament will open April 2, in Baltimore, Md., that city's first in WIBC history. The team event will be held at Bowl America Odenton and the doubles and singles at Brunswick Perry Hall Lanes. The companion Queens Tournament will be held May 12-16 at Brunswick Perry Hall Lanes. The dates for the 1981 Annual Meeting are April 27-29.

Entry forms for the 1981 tournament will be mailed the second week of June to all captains of all teams entered in the Seattle tournament, to individuals upon request and to local and state association secretaries. Entry closing date will be January 9, 1981, unless the schedule is filled sooner.

In 1982 the WIBC Championship Tournament and Annual Meeting will be held for the fifth time in St. Louis, Mo., birthplace of WIBC and the future home of the National Bowling Hall of Fame and Museum. WIBC's first tournament was hosted by St. Louis in 1916.

The Annual Meeting dates are April 19-20, 1982. We suggest you keep these dates in mind when planning your local and state activities for the 1981-82 season, thus avoiding any conflict of dates.

This season, *The Woman Bowler* magazine underwent an issue change. Instead of publishing a December issue, WIBC prepared a combined December-January magazine, which went into the mail just after Christmas. To maintain the magazine's traditional 10-issue per year schedule, the combined May-June issue will be separated into two issues. *The Woman Bowler* magazine's new schedule is December-January, February, March, April, May, June, July-August, September, October and November.

This change has a number of benefits. The magazine avoids the Christmas mail rush with the combination of the December and January issues. Separating the previously combined May-June issue will allow more complete, comprehensive and timely coverage of the WIBC Annual Meeting, Championship Tournament and related events.

All subscriptions affected by the issue change have been extended a month.

Please remind league secretaries at your local association workshops that

the monthly issue of the magazine is one of the services provided by WIBC and that it should be passed around to all members of the league. One league secretary handles this very efficiently by providing a "route slip" listing each team name on the cover of the magazine and requesting that it be passed from one team to the next.

Four WIBC produced films have been viewed by an estimated 35,738,600 persons since being distributed to television stations and cable systems through Modern Talking Picture Service, Inc.

Three of the films, short vignettes are in their fourth year of circulation and each has had more than 370 telecasts and has been watched by more than 10 million viewers.

The three films were modified a year ago into a single new motion picture entitled "The Fun of Bowling." In 10 months of circulation, it has had 66 telecasts and a viewing audience of 1,659,300.

"Fun of Bowling" is also one of nine films available on free loan from the WIBC Film Library. The 16 mm sound, color production runs 15 minutes.

"Bowling — The Right Approach," an instructional film, produced by the National Bowling Council and available through WIBC, has drawn good responses since its release last fall. It features Virginia Norton and Dick Weber.

Ten women from the 1980 WIBC Championship Tournament in Seattle, Wash., and another 10 from the 1981 event in Baltimore, Md., will be invited to the 6th U.S. Team Trials in 1981. Formerly six were selected from each tournament.

They will be joined by the winners of the Women's National Intercollegiate Championships from the same years. The WIBC members each year will be selected from the all events rankings. Only nonprofessionals are eligible.

The 1981 Team Trials are tentatively scheduled for June 17 and will determine the six-player women's team for the 8th American Zone Tournament of the Federation Internationale des Quilleurs (FIQ) slated for July 25-August 1, 1981, in Winnipeg, Canada. The 10th FIQ World Tournament has been awarded to Venezuela in 1983.

Anne Splain, New Middletown, Ohio, established a WIBC record for a three-game series on December 7, 1979, when she bowled 831. The 38-year-old mother of three who weighs barely 100 pounds, rolled games of 257, 286 and 288 in the Friday Niners Couples League at Boardman Lanes in Youngstown, Ohio. Her total was just seven pins higher than the previous high posted by another Ohioan, Betsy Corrigan of Xenia, on January 25, 1979, in Dayton.

Mrs. Splain, who carries a 192 average, is the 15th woman to break the 800 barrier. The first was Bev Ortner of Galva, Iowa, who bowled 818 on October 10, 1968, in a S. Sioux City, Neb., men's league in which hers was the only woman's team.

As part of our continuing effort to operate as efficiently as possible, while still providing the best possible services, a new telephone system will be installed at bowling headquarters this summer. The system will provide for direct lines to the departments most often called. This will mean, for example, that an association secretary wishing to speak with the rules department or the membership services department can call that department direct, without having to go through the switchboard.

We will retain our present telephone number, and calls can still be placed through the switchboard, but the direct departmental dialing will be available for persons who call regularly and know to which department they need to speak. If a departmental line is busy, one will receive a busy signal. One can then either call back in a few minutes or call through the regular switchboard, depending upon the urgency of the call and whether it is necessary to speak with a specific individual.

It is anticipated that not only can we relieve the burden on our switchboard, but that persons calling long distance will realize a saving by not having to pay for time spent waiting for a call to be connected. The telephone numbers for the departments involved will be included in the July letter to all local and state association presidents and secretaries.

In keeping with our policy of never-ending attempts to provide the best service to our associations we have revised the WIBC application for membership card.

Beginning with the 1980-81 season, the application for membership card will be a one-up continuous computer form. The same information will be requested, but the format will be different. The size of the card will remain the same.

Associations that have their own computer, or who use the services of a computer service company, will find the card has much value to them in their record keeping. Those associations not using computers will also find advantages to the form, mainly for the ease in handling and distributing a continuous form rather than loose cards.

Since the application cards are not part of the prepackaged kits, we urge all local association secretaries who have not already done so to order the application for membership cards with their 1980-81 season's supplies. When ordering, keep in mind that the cards are to be ordered in a quantity for the 1980-81 winter, next summer and all mixed leagues.

We have been endeavoring to bring a new look at WIBC forms and literature. We have also been striving to make the general mailing letters more readable and to combine some of the items in them so that the local association leaders will have the information they need in a less bulky format. Some items have been deleted to eliminate duplication.

Once again, we will conduct the popular Leadership Training Seminars this summer. There are 8 LTS II's scheduled between July 12 and August 23. If you will refer to the back of this binder, you will find a listing of sites and dates. If you have any questions, please contact the individual listed or our field services department.

The League Officers Workshop program will again be available to the local associations. The new format calls for a more detailed and informative workbook for participants and a concise guide for conducting a local workshop. The program will no longer contain script, slides and taped vignettes. Instead, the local association leaders will be able to concentrate the workshop program on those areas which they believe their own association needs to stress. We believe that you will be pleased with the results.

The WIBC State Leaders Workshop will be conducted July 12-13 in Milwaukee, Wis., at the Red Carpet Hotel. Invitations were mailed to all state and provincial associations early in January. Approximately 250 state officers and directors are expected to attend this two-day learning session.

As you know, the delegates approved the local association bylaws revision in Tucson last year. The new mandatory form of bylaws and two copies of the bylaws options checklist were mailed to all local association presidents and secretaries in June, 1979, with instructions to complete these forms.

The field services department is still in the process of reviewing the checklists against the WIBC records. However, many checklists have not been submitted by associations. If you have not done so, we ask that you forward a copy of your association's bylaws options checklist to the field services department as soon as possible.

The number of nonpay cases has increased and this is somewhat in line with the other problems of the economy. The WIBC educational processes have been very helpful in regard to the procedures of rule 114c, and this has resulted in fewer cases having to be returned because the league failed to meet the requirements. League officers are becoming accustomed to working with the rule, and in a vast number of cases, large arrearages are not being allowed to accumulate.

Association officers, as well as league officers, must continue to be thorough in reviewing a nonpayment file before submitting it for processing. It is vitally important that all of the procedures be followed, since the WIBC membership of a bowler is in jeopardy when charges are filed for nonpayment of league fees.

One of WIBC's most important services is its awards program. While we continue to issue many, many more awards than we have to deny, we must express concern about the unrealistic scoring conditions in a few centers in some parts of the country. Our desire is to give awards, not to turn them down. The awards are a very visible means of advertising WIBC sanctioned competition, and rewarding members who have made outstanding achievements on the lanes. They serve as incentive for other members to strive to improve their game. Also, it is much less expensive to issue awards than to turn them down!

While the vast majority of applications for high score awards are approved, it sometimes seems that the few rejected generate the most discussion. In some ways that is good, as almost everyone agrees that the integrity of the awards program must be maintained; an award score is a special accomplishment, not an everyday event. We look to all of you for help in this regard. All of us strive to do better and dream of that high game or series; let us also do our part to see that bowling center management knows we want good, neutral conditions that neither give an artificial assist nor detract from a player's ability to bowl.

Our local and state association leaders, and our league officers, are following the functional patterns designed to improve and communicate our services and activities. Thus, more and more of our members are receiving the benefits of membership in the Women's International Bowling Congress.

My thanks to all of you for your part in these endeavors. My sincere appreciation to President Alberta E. Crowe, the WIBC Board of Directors and WIBC staff for their assistance and support.

Special Reports

Legal

Seattle, Washington
April 29, 1980

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

It would be a pleasure to begin this report with a statement that the number of cases processed is fewer than ever before, but the truth is that the legal committee reviewed more cases and suspended more bowlers this past year than in any previous year.

Since reporting to you a year ago in Tucson, Ariz., the committee has finalized 1,489 cases and 105 applications for reinstatement. The period covered is February 15, 1979, through February 15, 1980. Following is a summary of the action taken by the committee:

- *1,198 Membership suspended indefinitely, with office holding privileges withheld indefinitely in 70, never to hold office in 43.*
- *119 Barred from holding office indefinitely.*
- *114 Letter of reprimand/letter of counsel.*
- *58 Not guilty/case dismissed.*
- *68 Reinstatements approved, with office holding privileges withheld indefinitely in 17.*
- *18 Office holding privileges restored.*
- *12 Reinstatement of membership denied.*
- *5 Request to hold office denied, but three given privilege to hold team captaincy.*
- *2 One team captaincy privileges restored, one denied.*

Thirty-two bond claims are included in the above count. The largest claim was for $4,071.05. The smallest amount was $50.66. Of the 17 WIBC members responsible for verifying the monthly account in these cases, four were suspended indefinitely from holding office, and 13 were given a written reprimand.

All cases pertaining to misuse of funds do not result in bond claims. The committee reviewed 73 in this category which — added to the 32 bond claims — totals 105 cases. These could have been reduced substantially if the president had properly checked the account each month. We urge local and state associations to include this subject in their workshops. Impress upon all leaders the importance of proper accounts being established and every precaution taken to safeguard the bowlers' money.

We realize this 107 figure is minute when compared to WIBC's four million plus members, but that is no consolation to bowlers when there is no money in the league account at payoff time.

Prior to two years ago, one of the sample recommended penalties in Chapter IV of the WIBC Bylaws book was removal from office, including team captaincy, for an indefinite time. Team captaincy is no longer automatically included when a bowler's privilege to hold office is considered, and it has not appeared in the bylaws book in the last two issues. For example, many bowlers are perfectly capable of performing the duties of a team captain but do not have the skills required of a secretary.

We continue to be concerned when leagues allow fee arrearages to accumulate several weeks before action is taken. We have admonished leagues to take immediate action when bowlers don't pay fees, and many times the legal committee reduces the amount of money the league requests the defendant to pay. Usually, this is done when the league ignores its own rule, which often states arrearages will not be allowed, or, no more than a given number of weeks will be allowed. A week or two should be all the leeway that is given, and the committee takes a very dim view of amounts in excess of four weeks'

fees, including two weeks notice.

WIBC Rule 119 states in part that league fees consist of the total paid for bowling, the prize fund and any other amount voted by the league. Quite often, in nonpayment-of-league-fee cases, the bowler is requested to pay more than the actual amount of league fees, such as bank charges, auditor's fees and the cost of shirts. Bank charges and auditor's fees cannot be included in the deficit and the cost of shirts cannot be included unless it is stipulated in the rules as league fees.

Local association secretaries should carefully review nonpayment files when they are received from a league. If the file is not complete, contact the league secretary and try to obtain all the necessary material. If it is obvious that the league did not follow rule 114c explicitly, do not send the file to WIBC. Return it to the league secretary and advise that the proper procedures were not followed, and the file is not acceptable. Tell the secretaries where they went astray.

We, the committee, and the staff at WIBC, appreciate the efforts of the association secretaries, and we thank you for your cooperation.

National Bowling Council

Seattle, Washington
April 29, 1980

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

Officers of the National Bowling Council for 1979-80 are: President, Dick Richards, BPAA president; Vice President, Bernie Rudo, Brunswick BRC Division president; Treasurer, Helen Baker, WIBC vice president.

Bowling Awareness: The Council's objectives are to:

Create greater top of mind awareness of bowling among corporate advertisers and advertising agencies.

Stimulate interests for bowling as a tie-in vehicle among national and regional advertisers.

Generate new uses for bowling as a motif for TV commercials or print campaigns.

Develop a broader range of potential products and services to increase exposure for bowling.

This continuous program has produced results that include the following:

"Razzmatazz" — Jeannie Berry, junior bowler from Las Vegas featured. A great show seen over CBS-TV network on February 5th.

"Mike Douglas" — Program taped February 13th in Los Angeles, Calif., of Joe Norris and Chris Hardwick. Air dates and stations to be announced.

"Eight is Enough" — ABC-TV program featured bowling as a theme in an early fall program.

"Good Morning America" — Pinboy story ran in August portrayed bowling in a very positive light. It was seen by an estimated 6.0 million.

Junior bowler, Jeanne Berry, Las Vegas, Nev., was featured on the children's television magazine series "Razzmatazz" seen February 5 over the CBS-TV network. The show was one of several network offerings during the year to feature bowling thanks to work of the National Bowling Council.

Sports Magazine — Mark Roth story scheduled to appear in March, 1980, issue (circulation 1.2 million).

Seventeen Magazine — Two page color fashion spread set in bowling center — March, 1980, issue (circulation 1.5 million).

Other national placements include *Marketing Communications*, ANNY MAC SAM, United Media, Copley News Service, Boy Scouts of America, and pending *Glamour* plus *New York News for Kids*. More television shows are using bowling tie-ins and as an example you may have viewed "The Muppets," "Saturday Night Live," "Quincy" or some of the others.

The following companies have utilized a bowling motif in their TV or printed advertising: McDonald's, Geritol, Kraft Cheese-Light N-Lively, Ecotrin, Readers Digest, Anheuser-Busch, Schlitz, Kentucky Fried Chicken, Autolite Car Parts, Macy's.

Tie-in promotions are scheduled with Appian Way Pizza Mix; Seagram's Crown Royal; Roy Roger's bacon cheeseburger; Brown & Williamson's Raleigh cigarettes and Dunkin' Donuts. These programs include free bowling games, tie-in cents off programs and similar promotions.

Public relations: this year, additional funds were made available thru MUBIG participation. New programs were planned and on going programs refined. A Public Relations Booklet has been developed to give local bowling associations and proprietors the basic tools to properly publicize our sport. Other industry-wide projects are: public relations seminars, pre-season newspaper supplement, revised NBC newsletter.

National public relations efforts call for expansion of Traveling Ambassador Program. Ex-Miss Kentucky, Linda Woodruff, visited many cities to promote bowling. Interviews for her with the news media were prearranged for greatest exposure.

"On the Ball" column is now distributed to over 175 weekly newspapers with estimated circulation of 437,500.

A radio and TV bowling tips program is planned to provide added TV and radio exposure.

Statistics research: junior bowlers will be the subject of the council's survey this season and will include league, casual and non-bowlers.

Advertising programs: The new "Rolling Thunder" fall promotion racked up an impressive score its first time out. Part of the 1980 local joint subsidy program, "Rolling Thunder" was created to increase traffic in bowling centers during the quiet time prior to Labor Day. In addition, the use of an every-other-game free coupon was designed to increase casual lineage as well as to generate new league prospects. Enthusiasm for the program ran high from coast to coast with many signups of juniors and adults for instruction and for leagues.

For the 1980's a new advertising program, "Everybody Let the Fun Times Roll," has been developed with a complete package for television, radio, newspaper, in-center materials and sales items.

Education: in the area of education the Council works in a number of areas. Education Service Center (ESC) clinic programs reach thousands of physical education teachers each year with over 20 completed this season. NBC's Learn to Bowl-Plus, Learn to Bowl-Youth and Learn to Bowl-Seniors programs are being used in bowling centers nationwide. After a center has these LTB materials it takes a trained individual to teach the classes. To train these people NBC holds Certified Instructor Programs (CIP) each year. Approximately 40 programs are estimated for this year at which over 1,000 instructors will be certified.

A "how to" manual for Explorer Scout posts desiring to start a "bowling post" has been developed in cooperation with the Boy Scouts. There is some reorganization going on in the Girl Scouts and it is possible that as a result there might be a chance of getting bowling in their program.

A new NBC instructional film "Bowling — The Right Approach," has been completed and added to the NBC film library along with "On the Spot" and "To the Foul Line."

Collegiate Championships: Pabst and collegiate bowling join hands again under the direction of the National Bowling Council's sponsorship. This year's tournament marks the fourth year of Pabst Brewing Company involvement with collegiate bowling. Twenty-four top women's and men's college bowling teams will earn a chance to compete in the nationally televised finals May 1-3, 1980, in Milwaukee, Wis. WIBC-ABC will conduct the tournament under the direction of Roger Dalkin, manager of our Collegiate Department.

The 1979 champions were the Penn State women's team and the University of California at Berkeley men's team. With many new teams expressing a desire to be part of this event, over 1,000 collegiate bowling teams will be competing in tournament, conference, regional and sectional play to win the trip in 1980 to Milwaukee. Starting this year, the high all-event scorers, both men and women, will qualify for the Team Trials to determine the United States teams for the 1981 FIQ American Zone Tournament in Canada.

All-American Youth Bowling Championships: co-sponsored by Coca Cola, the 19th AAYBC tournament was held in Washington, D. C. Winners of the 1979 AAYBC have been publicized and extensive national media coverage resulted. *Family Weekly* Sunday newspaper supplement with 11.5 million circulation featured AAYBC in "What in the World" section on August 5, 1979. *Women's Day* October issue with 7.5 million circulation carried a Donna Adamek story with AAYBC credit.

Additional coverage included: A Donna Adamek New York media tour; a short *Women's Sports* story on the finals; local newspapers ran 288 stories; local TV stations 70 spots; radio stations 74 stories; plus film feeds and daily feeds from the tournament were made to many outlets.

Bring a Friend program: response has been phenomenal with over 1,000 kits purchased by proprietors throughout the country. Their "101 Ideas to Bring a Friend" is included in the kit that provides practical but creative ideas.

Understanding senior league bowlers: another brochure provided bowling centers, giving results of the marketing study conducted last year by NBC. The Council recognizes the great potential in the 55-and-over age group. Many people start bowling as a retirement activity while others just continue their lifetime sport. We look forward to increased membership from the senior population and urge everyone to promote senior leagues in every local area.

The National Bowling Council continues advertising, promotion, education and public relations programs to keep bowling among the leading sports. This is the combined effort of the NBC staff in Washington, D. C., and representatives from all the integers who are members. Your continued support and hard work at the local level and state level represents the number one service to our members and bowling. If any of the NBC tools are not available in your area please let us know. The tools will only work if used properly.

BVL Fund

Seattle, Washington
April 29, 1980

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

America's bowlers displayed their remembrance of America's fighting men and women by joining together to raise more than $750,000 for hospitalized veterans through the BVL Fund. At the end of BVL's fiscal year on July 31, contributions totaled $762,364.53, pushing BVL's 37-year history of fund raising to just over $9 million. Again the bowlers increased their donations, this time by $17,404.07 over the previous year.

Syracuse, N.Y., bowlers were once again in the lead as the largest single contributor with $19,100.75. Last year's number one locality, Ventura County, Calif., is in second place with $18,538.00 and third place is held by Phoenix, Ariz., with $18,000.00.

The remaining top ten fund raising areas span the country: Detroit, Mich. $17,610.00; Citrus Belt, Calif. $14,033.84; Minneapolis, Minn. $12,650.00; Greater Miami, Fla. $11,600.00; Nashville, Tenn. $10,100.00; District of Columbia $9,282.75; Greater Portland, Ore. $8,336.26.

Associations topping the $1,000 or over mark continued to increase with a total of 183 in addition to the top ten. This represents a tremendous effort at the local level and keeps the bowlers aware of the BVL program and the work we continue to do in the many hospitals. Many state associations continue their great support of the BVL with approximately $60,000 raised last year. It is evident that strong programs at the state level results in increased numbers of local associations taking part. Your leadership at the state level is greatly appreciated.

Recognition must be given also to the ongoing donations from the BPAA Convention Wives, National 600 Club, WIBC Pioneer 20 Year Club, state and local club groups and overseas areas of Cuba, Germany, Korea and Spain.

A total of 97 hospitals competed in the BVL/VA Bowling Tournament, run during the month of April last year. This was two more than the previous year. The tournament is run in six divisions and structured according to hospital size to make it fair for all entrants. This tournament provides the patients an event to look forward to each year, and perhaps to put to use some of the lessons provided by the star bowlers who make many hospital visits each year. Local associations assist with this Mail-o-graph:c tournament.

The visits by star bowlers have been part of the BVL program for many years. This has proved so popular that the hospitals look forward to the visits for months. The visits are planned to include actual instructions and bowling matches on hospital or nearby lanes.

The patients that cannot take part in the bowling tournament are not left out as the professional bowlers also tour the hospitals, sign autographs, have a picture taken with the patients, sometimes even share a meal with them. What a break in the daily routine your BVL funds are providing! It would be great if we could share some of the letters of appreciation with you but it would make this report miles long.

Each year the requests for television sets goes up — the BVL committee approved a total of 702 color television sets for distribution to hospitals this year. The formula now being used is one set per 20 patients. Last year, the formula was one set per 30 patients, so we have been able to

improve this service. Since we started the TV program in 1974, this 702 will make a total of 2,939 distributed.

Baseline funds of $151,300 were distributed to the hospitals (these funds are allocated on the number of beds per hospital) together with $76,705 in special grants for various hospitals. If contributions remain at their present level or, hopefully, increase, the committee plans to increase baseline amounts by 25 percent. A total of 2,719 copies of the weekly publication *Sporting News* are distributed to the veteran's hospitals at a yearly cost of $56,555.20.

Roy Rogers was the Honorary Chairman of the BVL Fund for the 1979-80 season and we want to thank him for this third year of service. His support of the program was most helpful.

BVL national headquarters will continue to provide effective materials to assist local leaders in raising the dollars for our favorite charity. Be sure to ask for the kits and public relations materials to use in your community.

The keys to the success of our BVL program remain the local and state leaders. When the president, vice presidents, secretary, treasurer and board members all have their shoulders to the wheel and their enthusiasm working overtime, the funds roll in.

It is a tremendously important job at the local and state level and is very time consuming, but the results are worth every bit of it. The hospitals continue to be full of men and women veterans of all ages, plus they have ongoing programs and clinics outside of the hospitals. Government funds will only go so far and do not include recreational and rehabilitation items supplied by BVL.

We have been told over and over that our extra concern and items have resulted in many patients returning to their homes and families. We can ask for no greater thanks. Bowlers hearts are often bigger than their scores. For your contributions in funds, and especially time, a million thanks on behalf of all you have helped.

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

The International Year of the Child, 1979, concluded with many celebrations throughout the country, all paying special recognition to children!

The Junior Leaders program of AJBC shines brightly as the decade of the 80s begins. For the first time ever we have selected a national junior leader. Many local and state associations are pushing forward to form a junior leaders division. If there isn't one in your area, we urge you to encourage and help organize a Junior Leader program. It is a most

Terry O'Brien received the American Junior Bowling Congress National Junior Leader of the Year Award from Chuck Hall, AJBC manager, at the WIBC Annual Meeting. The young man from Brooklyn, N.Y., spoke to the delegates and also addressed the AJBC Workshop, held during the convention.

rewarding program for the young people.

As was so capably written in many of the essays which accompanied the nomination forms to earn selection as the National Junior Leader Award, "this program is the link between the adults and the juniors. It has taught us how to run tournaments, work toward being a good administrative leader, how to give of our dedication to the younger junior bowlers, how to listen to other ideas and to meet the challenge of making decisions and then work toward a successful completion of a project."

The eight area representatives who serve as directors on the AJBC board selected Terry O'Brien, Brooklyn, N.Y., National Junior Leader of the Year. They will tell you that it was a most difficult challenge. From various parts of the country, 23 nominations were received and each of these young people were evaluated on the basis of their involvement in AJBC, and on the essay written by them. It was an extremely close vote right down to the ultimate decision of the winner. Congratulations, Terry! (We would like to add that the selection of Terry O'Brien as a guest speaker for the AJBC Workshop here in Seattle at the Olympic Hotel in the Spanish Ballroom beginning at 1:30 P.M. last Saturday, April 26, 1980, proved most interesting as he addressed the subject of junior leaders.)

Alberta E. Crowe Star of Tomorrow Award — Chuck Hall Star of Tomorrow Award. For many years the selection of a young lady to receive the Alberta E. Crowe Star of Tomorrow Award has been made. However, for the first time ever, a young man has been selected to receive the Chuck Hall Star of Tomorrow Award. The ABC board approved the presentation of this award and chose to name it in honor of Chuck Hall, Manager of AJBC, because of his great dedication to AJBC over the past 20 years.

Letitia Johnson, 17 years of age, from Napa, Calif., who started bowling at age 11, has in her short six years rolled scores that most of us only dream about. Would you believe 11 700's in 1979-1980 season; has a 300 to her credit; and was carrying a 211 average January 1st. Congratulations, Letitia!

Chris Witty, 17 years of age, from Simonton, Texas, has been in the AJBC program for 5 years. He commutes 40 miles daily to participate in our sport of bowling since his home town, population 500, does not have a bowling center. The date of August 6, 1979, the beginning of this year's schedule, brought a Texas record in AJBC for him with scores of 289-276-266, an 831 series. What a way to start a year! A 300 game has eluded him, but he will keep trying. His current average is 201. Congratulations, Chris! (Chris will receive his award at the ABC convention from ABC president Charles J. Roesch.)

The 1978-79 season reflected a decrease in membership for the first time since the 1963-64 season when WIBC and ABC became the co-sponsors of the AJBC. A number of factors are undoubtedly involved in the membership status, such as fewer available youngsters and stronger competition from other sports groups. Are we, as leaders, promoting and assisting in setting up leagues for our youngsters? They are our future members. We urge everyone to cooperate.

New York led the nation with 105,255 youngsters enrolled in the AJBC program. Second was Ohio with 63,003 followed by California with 61,077. It is to be noted that membership decreases occurred in all but nine states. Montana sanctioned the identical number of 6,417 juniors in both the 1977-78 and the 1978-79 seasons. Kentucky had the largest increase with 6,510 members over the 1977-78 season of 6,155.

As co-sponsors of AJBC since 1963-64, WIBC and ABC have jointly contributed $1,310,000 to date. (Report written March 1, 1980.)

Representatives of the AJBC Board of Directors are comprised of eight women appointed by WIBC President Alberta E. Crowe, eight men appointed by ABC President Charles J. Roesch and eight Representative Directors selected from the ranks of coaches, instructors and associations directly and actively engaged in conducting the AJBC program.

The annual meeting of the Board of Directors is held each year. In addition, an executive committee meets twice annually. The AJBC executive committee functions on behalf of AJBC throughout the year and also serves as the finance and budget committee.

The 1979-1980 members on the executive committee are: Alberta E. Crowe, Gladys M. Banker, Joyce Deitch, William H. Hall, Sr., Albert R. Matzelle and Paul O. Mohn.

To the four women who are serving currently on the AJBC Board of Directors as Representative Directors from those actively working with the program, we wish to extend appreciation and to acknowledge your true dedication and interest in our young people. Thank you Mrs. Martha Burton, Washington, D.C.; Mrs. Stevie Singletary, Wautoma, Wis.; Mrs. Shirley Starcevich, Boulder, Colo.; and Mrs. Charlotte Wilkins, N. Miami, Fla.

Likewise, we acknowledge the men serving in this capacity, namely, Henry Feinberg, Babylon, N.Y.; Kenneth Gradl, Appleton, Wis.; Louis M. Soule, Little Rock, Ark.; and Mike O'Connor, Chehalis, Wash.

At the time of this writing, the "I beat Earl Anthony" contest had not begun. However, we were receiving interesting reports from all parts of the

country that children were anxiously wanting to bowl in this event. We especially wish to convey a big thank you to Earl Anthony for his support and interest in this program.

At the February 22, 1980, board meeting, the following action was taken:

1. Local association bylaws: Article VIII, Section 6. Insert a new paragraph between the second and third paragraph. The secretary of each local junior bowling association or division shall report in writing the names and addresses of its delegates and alternates to the secretary of the state junior bowling asociation when requested by the state association secretary and within the time period specified in the state association bylaws.
2. AJBC Rule (current 120) replaced by a new rule to be numbered 121. Unless provided by league rule, a player may not compete on more than one team in the same league for the regularly scheduled games each week. Under no conditions may a player bowl on more than one team in the same scheduled game.
3. AJBC Rule 228. Add the following sentence after the first sentence in paragraph 1: However, when a full complement of scorers is not available and the entry cannot be rescheduled, the bowlers affected shall be allowed to record their own score, under the supervision of tournament management.
4. By RESOLUTION, the AJBC Board of Directors approved to support the recommendation of the Unification Committee as it will be presented to the WIBC, ABC and BPAA conventions.
5. The following officers were elected for the 1980-1981 season: Gladys M. Banker, president, Charles Town, W. Va.; Preston W. Thomas, vice president, Somerset, N.J.; Albert R. Matzelle, secretary-treasurer, Milwaukee, Wis.

Our appreciation to Manager Charles (Chuck) Hall and the AJBC staff for their continued interest and dedication to the "kids"!

Further, we acknowledge and extend a great big thank you to all the folks in the local and state junior bowling associations who continue to give of their time and efforts in their work with the youth on a day to day basis. Remember the words of Dr. Frank L. Smoll, "you are a teacher, amateur psychologist, substitute parent and an important role model."

Hall of Fame and Museum

Seattle, Washington
April 29, 1980

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

The annual meeting of the National Bowling Hall of Fame and Museum was held in Milwaukee, Wis., July 26, 1979. Board members present were: ABC — H. Wesley Bogle, Maurice Hayes, Kenneth Hurley, Al Matzelle, Lowell Rothschild; AMF — R. R. Woodruff; BPAA — Carl Hindel, Dez Isaacson, Nicholas Mormando, Dick Richards; Brunswick — Milt Rudo; PBA — Joseph Antenora; WIBC — Alberta Crowe, Helen Baker, Gladys Banker, Agnes Duffy, Rae Fisk.

Elected for another year were the following officers: President — Milt Rudo; Vice President — Dick Richards; Secretary — Al Matzelle; Treasurer — Flora Mitchell.

When a site was being sought for the NBHF/M many cities indicated their desire to have it by submitting an invitation. Those in St. Louis decided it was a natural for their city because of its central location and its strong bowling history. After all, wasn't WIBC launched in St. Louis?

Mayor James Conway not only agreed with the St. Louis bowlers that their city was the perfect spot for our project, he led a team of dedicated workers for three years toward achieving that goal. And achieve it they did, but when St. Louis was chosen as the site in May, 1979, that team didn't sit back and relax. They are hard at work right now, still led by Mayor Conway, setting up a massive drive for funds from the people, individually and corporately, in St. Louis and in Missouri. Working closely with him and other key people in St. Louis is Lowell Rothschild, a past president of ABC and a member of the NBHF/M Board of Directors. Mr. Rothschild is overall chairman in charge of all fund raising and will shortly start concentrating on

obtaining large corporate contributions.

The architectural firm of Saunders-Thalden and Associates of St. Louis has been chosen to proceed with designs appropriate to the piece of property selected, which is just across from the entrance to Busch Stadium. They are hard at work drawing plans for a three story building of approximately 54,000 square feet and will be working closely with a New York exhibit design firm.

The site itself is being made available to NBHF:M without cost by First National Bank of St. Louis, Equitable Life Assurance Society and International Business Machines and is valued at approximately one million dollars.

Another happening that we were very proud of was the authorization for a quarterly newsletter. The first issue was distributed in January to everyone who had made a contribution of $150.00 or more.

As you know from past reports, the junior bowlers have made a substantial contribution to our fund raising efforts and are hard at it again this year with their "I Beat Earl Anthony" competition. You will be hearing more about that from AJBC Chairman, Gladys Banker.

As of January 31, 1980, total contributions received were $2,182,226.66 plus $331,910.78 due on pledges. In addition there are still jewelry and decal consignments out on which there is a balance due of another $225,000.

You have been brought up to date on what you and others like you have accomplished since we started this project and, as we said last year, we think many of you have done an outstanding job on raising funds. For instance, with the league score tournaments there have been some outstanding results. Toledo, a previous contender as the site for the Hall of Fame, raised $11,571 in a joint effort of men, women and proprietors. Washington, D.C., raised $4,565 in another joint effort.

But we need the combined and continuing effort of all our bowlers through league score tournaments, jewelry sales, etc., to raise the funds we need to make our dream of a National Bowling Hall of Fame and Museum become a reality.

We ask all of you to join us in that effort so each of us who worked toward that goal can feel a satisfied glow of pride and participation when the dream ceases to be a dream and becomes a solid building of concrete and steel and glass filled with warm memories, stories and personal effects of bowlers like us who bowled with or preceded us in this game.

Collegiate

Seattle, Washington
April 29, 1980

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

The second season of the ABC/WIBC Collegiate Division — 1978-79 — showed an increase of 25 percent in membership and an increase of 33 percent in the number of leagues. This membership represents the proverbial tip of the iceberg. There is bowling activity on nearly 750 campuses but only 127 have some type of sanctioned program. In addition, there are 2,500 colleges with no form of organized bowling.

As you can see, there is much work to be done. The collegiate message is being carried to various parts of the country by contacting college personnel, local and state association leaders, proprietors and bowlers in general. The ACU-I included our representative on a panel discussion at their national convention and we also gave a presentation at the ACU-I Recreation Management Seminar held last summer. A first time invitation has been received from the National Intramural & Recreation Sports Association (NIRSA) for us to speak at their 1981 national convention.

Won't you please help with this huge area of communications. We must remember that each college campus is an individual community and as such has its own way of doing

The victorious Erie Community College team accepts the championship trophy for their win in the 1980 Pabst National Collegiate Championships. Pabst board chairman Frank DeGuire (center, left) made the presentation to Erie coach Kermit Hellmer and his team (l to r) Cindy Shea, Barbara Jones, Lori Dyess, Lori Brinkman, Denise Shriver and Sue Fiore.

things. By making contact with a college representative, you are inviting them to become part of the national bowling scene. If you have questions, Roger Dalkin, manager, will be more than willing to give you an assist. He can be reached at bowling headquarters.

A most gratifying change in the grassroots collegiate program is the initial involvement of more colleges which do not have campus lanes. This is in part the result of more commercial proprietors becoming aware of the Collegiate Division's existence along with the help of local WIBC and ABC leaders in contacting college personnel. If an association currently has college leagues bowling at lanes within its jurisdiction which are not sanctioned, please approach the college advisor and encourage them to become involved in the ABC WIBC Collegiate Division.

The WIBC and ABC Collegiate Committees met in June, 1979, with the Collegiate Advisory Committee. The Collegiate Advisory Committee is made up of representatives of the Association of College Unions-International (ACU-I), the Association of Intercollegiate Athletics for Women (AIAW), the National Intramural Recreation Sports Association (NIRSA) and the National Junior College Athletics Association (NJCAA). The subject of awarding cash and scholarships in intercollegiate tournaments was discussed and the following proposal was approved for inclusion in the 1980-81 season:

> A campus tournament sanctioned by the Collegiate Division shall only provide awards that are compatible with policies adopted by the institution.
>
> An intercollegiate tournament sanctioned by the Collegiate Division shall only provide awards and similar mementos that are compatible with traditional college requirements as to what constitutes an acceptable award. Cash prizes may be offered in the form of scholarship grants provided the money is to be given to the school's general scholarship fund. It will be unacceptable to award cash prizes directly to the participants in intercollegiate tournaments.

Also at the June session the Collegiate Division dues structure was reviewed and it was approved to raise collegiate dues from 75c to $1.00 effective with the 1980-81 season.

Once exposed to sanctioned competition, collegians enjoy tournaments. Participation is up with a 33 percent increase in the National Collegiate Team Match Play Championships; a 20 percent increase in the Las Vegas Invitational, the largest single collegiate event; and a 50 percent increase in the National Junior College Athletic Association Championships.

However, the premier tournament event is the Pabst National Collegiate Championships. The 1979 contest was a great success! The women's champions were from Penn State University, and the men's squad was from the University of California at Berkeley.

Two new areas of recognition were added to the tournament format, namely the All-Tournament Team and the Most Valuable Player Award. Selected by a vote of the coaches in each division on ability, team leadership, sportsmanship and enthusiasm, the Women's All Tournament Team was: Sherry Allen, Wichita State University; Valerie Bright, Penn State University; Cindy Coburn, SUNY — Buffalo; Pam Detig, Erie Community College; Deborah George, Georgia Tech.

The Most Valuable Player Award went to Valerie Bright of Penn State University.

Media coverage of the 1979 Pabst National Collegiate Championships was excellent. The May 7th issue of *Sports Illustrated* carried a two-page article on the finals and over 140 television stations nationwide showed the taped finals between May 5 and June 1.

Charles Allen of the *Columbus Dispatch*, Columbus, Ohio, was chosen to receive the Annual Pabst Collegiate Bowling Writers Award. Mr. Allen received this recognition for his story about the men's team from Ohio State University participating in the Pabst Brewing Company sectional tournament held last April. He was invited to bowling headquarters to receive a replica of the original "gold ball" trophy which is on display in the Hall of Fame.

The Pabst Brewing Company will again sponsor the National Collegiate Championships to be held May 1-3, 1980, in Milwaukee, Wis.

The collegiate championships are open to all five-woman and five-man teams on both the college and junior college levels. Twenty-four teams (12 women's and 12 men's) will be selected to make the all-expense paid trip to the finals. Sectional roll-offs were held March 28-29 in Springfield, Mass.; Baltimore, Md.; Atlanta, Ga.; Knoxville, Tenn.; Toledo, Ohio; Peoria, Ill.; Minneapolis, Minn.; Kansas City, Mo.; Fort Worth, Texas; Boise, Idaho and Fresno, Calif.

We hope that members and friends in the Milwaukee area will be on hand to watch some of the competition of the Pabst National Collegiate Championships. We are sure you will be well rewarded for your time and support. For those in other parts of the country, watch your TV listings for the taped televised finals.

The second of four bowling polls ranking collegiate teams for the 1979-80 season was conducted by the Bowling Writers Association of America, in conjunction with the National Bowling Council. As of February 1, the top three teams in the women's division are San Jose State University, Erie Community College and Wichita State University. In the men's division they are Wichita State University, San Jose State University and University of California at Berkeley. Publication of the rankings of top collegiate teams should help to stimulate interest.

Regularly, requests are received at bowling headquarters asking for information on which colleges offer bowling scholarships. At the present time, the Collegiate Division has been able to confirm 10 schools that offer bowling scholarships: Hillsborough Community College (women only) Indiana State University (women only) Robert Morris College; Penn State University; Southwest Baptist College Spartanburg Methodist College Temple University (women only) Vincennes University; West Texas State University; Wichita State University.

There is an increase in membership so far this season. As of January 15, 1980, we had 11,369 collegiate members and 353 sanctioned leagues. Another encouraging note on the intercollegiate level is that six new intercollegiate tournaments have sanctioned this year and three new conferences are being formed.

The Collegiate Division looks forward to another busy year.

Senior Study

Seattle, Washington
April 29, 1980

TO: The Board of Directors and delegates assembled at the 63rd Annual Meeting of the Women's International Bowling Congress

With the rapid growth in senior population and their need for leisure time activities, WIBC and ABC appointed a joint Senior Committee in 1978 for the purpose of reviewing our senior program and to determine what is needed to make it more attractive in order to increase senior membership.

Our committee met June 14, 1979, at bowling headquarters in Greendale, Wis. Lance Elliott, executive director, presented information on a senior study made by NBC. His presentation included the distribution of a new NBC brochure, "Understanding Senior League Bowlers," as well as a slide program giving an in depth view of the new brochure. It was noted that all of the information in the survey came from seniors bowling in sanctioned leagues and some of the data generated discussions in the following areas:

The typical senior league bowler can generally be described as retired, around 67 years of age with a median family income of $11,000. Thirty-three percent have had at least some college education and were first recruited into a bowling league at 52 years of age.

The most frequently mentioned way of recruitment was to have a friend or relative ask them to join.

While both men and women mentioned the companionship aspects of league bowling as the prime reason for joining a league,

senior men joined leagues because it provides competition and challenge in a relaxing environment that, to a slightly greater extent than women, provides some degree of exercise. Senior women, however, join leagues slightly more because of the enjoyment of being part of a team, getting a sense of accomplishment, and because it offers the opportunity to meet new people.

There is about a 60-40 ratio of senior leagues that do ***not*** *sanction and WIBC/ABC local associations should work harder to try and get these leagues sanctioned.*

Seventy percent bowl in mixed leagues and 8 out of 10 seniors bowl before 5 pm on weekdays.

Two million league bowlers are over 55 years of age.

The proprietor's job is to fill the lanes but WIBC/ABC's responsibility is to get the membership.

There is need for local associations to work and cooperate with proprietors to promote senior leagues to fill the void in daytime leagues created by women returning to the work force.

To attract more seniors will take an understanding of the three major problems facing this aging group:

a. *Loneliness: They are in search of companionship activities and friendship. League bowling satisfies this need.*

b. *Health: As a person gets older, there are more physical problems likely to occur; thus, more vigorous physical activities become less viable as recreational alternatives. However, league bowling does provide a perceived positive health benefit and exercise value which is important to the league bowler.*

c. *Inflation: More than any other age group, seniors are on relatively fixed incomes and are more keenly affected by the inflationary spiral. Bowling, which is perceived as the best recreational value for their dollar, provides them with an activity that fits their budget for recreational activities.*

(As long as league bowling can help solve any one or all three of these major problem areas, the opportunity for attracting more seniors into leagues exists.)

Promotion of seniors should not position the seniors as an "old person" but rather should emphasize the benefits of "beginning a new life" or a "second life" and how bowling is part of this new beginning, a new era.

Other items with recommendations and/or decisions being made were: to retain the minimum age at 55; to allow spouses under 55 to bowl in mixed leagues with their husbands or wives, with a recommendation being presented to the delegates here in Seattle to approve the change in Rule 101k; since it was not feasible to have a mixed tournament at this time, it was suggested that WIBC undertake a study for a senior tournament.

At the close of the 1978-79 season, WIBC's senior division reflected the following statistical information:

Senior Leagues	1978-79	1977-78	Percent Increase (Decrease)
Mixed	1,482	1,357	9.21
All Women	107	97	10.31
Total Members	23,977	21,443	11.82
Senior Awards			
Team	3,993	3,407	17.2
Class A	1,567	1,503	4.3
Class B	1,562	1,484	5.3
Class C	1,561	1,373	13.7
Class D	1,561	1,470	6.2
225 Games	123	70	75.7
250 Games	8	5	60.0

The WIBC/ABC Senior Subcommittee met on October 4, 1979, at bowling headquarters to review recommendations made by the joint Senior Committee.

Eligibility Senior Leagues: If the proposal to amend WIBC Rule 101k is adopted, the following will apply:

a. Membership Card — Senior membership cards will not be issued to spouses under 55 years of age. WIBC/ABC membership card as it is, is interchangeable and good for all tournaments.

b. Awards — Spouses under age 55 bowling in a senior mixed league will not qualify for WIBC or ABC senior league individual awards.

Awards: The staff reported on the progress of a survey being conducted through both WIBC/ABC on senior awards.

Tournament: It was noted that WIBC had received numerous requests for a senior tournament to be run in conjunction with the men's senior tournament in the same city, at the same time, but at another bowling center. The committee recommended that a questionnaire be mailed to all senior league team captains to be completed and returned to WIBC to determine the feasibility of conducting a senior tournament and if so, what type tournament desired. The questionnaire was also to be mailed along with the confirmations to entrants in the 1980 ABC senior tournament to be given to spouses and friends.

Various formats of a national tournament were discussed with the possible sponsorship of such a tournament.

NSSA-AARP: The National Senior Sports Association, which is an affiliate of the American Association of Retired Persons, is interested in adding bowling to the sports in their present program. The director of NSSA has requested assistance from WIBC/ABC in setting their bowling program up and both integers have indicated they will assist in any way possible.

Our sincere appreciation to all of you who continue to contribute information to our committee, and we are particularly grateful to President Crowe and the staff for their valuable assistance.

Financial Report

The Board of Directors
Women's International Bowling
Congress, Inc.

We have examined the accompanying balance sheet of Women's International Bowling Congress, Inc. (WIBC), at July 31, 1980 and 1979, and the related statements of revenue and expenses, changes in fund balances and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The financial statements of Bowlers Building Corporation (BBC), an unconsolidated subsidiary in which WIBC has a 50% interest, have been examined by other independent auditors, insofar as our opinion on the financial statements relates to data included for BBC, it is based solely on their report. In the financial statements, WIBC's investment in BBC is stated at $2,060,061 and $2,103,738, respectively, at July 31, 1980 and 1979, and WIBC's equity in the operating expenses of BBC is stated at $269,888 and $246,581, respectively, for the years then ended.

In our opinion, based upon our examinations and the report of the other independent auditors, the statements mentioned above present fairly the financial position of Women's International Bowling Congress, Inc. at July 31, 1980 and 1979, and the results of operations and changes in financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis during the period.

NOTES TO FINANCIAL STATEMENTS

July 31, 1980 and 1979

1. Summary of significant accounting policies

The significant accounting policies followed in the preparation of the financial statements are summarized below.

Basis of presentation — Women's International Bowling Congress, Inc. (WIBC) is a nonprofit organization, organized in 1916 and incorporated in 1919 under the statutes of the State of Illinois. It engages in the promotion and supervision of the game of American tenpins for women. The accounts of WIBC are maintained on the accrual basis.

Income taxes — WIBC is exempt from federal income tax under Section 501(c)(4) of the Internal Revenue Code in accordance with an exemption letter dated March 28, 1972. WIBC is not exempt from personal property tax in the State of Wisconsin.

Materials and supplies inventory — Materials and supplies inventory is valued at the lower of cost, on the first-in, first-out basis, or market.

Depreciation — All fixed assets are depreciated over their useful lives using the straight-line method.

	Years
Furniture and fixtures	10
Office equipment	10
Vehicles	4

Subscription revenue — Membership dues in the amount of $1.50 and $1.00 for each league sanctioned by WIBC are allocated to subscription revenue of "The Woman Bowler" magazine for the years ended July 31, 1980 and 1979, respectively.

Retirement plan — WIBC has a qualified noncontributory retirement plan which covers all eligible full-time employees. The plan was amended effective June 1, 1975, to establish conformity with the Employee Retirement Income Security Act of 1974.

During 1980, the retirement committee of WIBC agreed to accept a proposal made by the consulting actuaries (Meidinger & Associates, Inc.) to revise certain actuarial assumptions (assumed rate of return on investments, mortality basis, social security increases, etc.) so as to more closely approximate current economic conditions. The change in assumptions created additional past service cost amounting to $203,584 for a total of $423,218. WIBC elected the lump sum method of funding the initial past service liability of $219,634 at the establishment of the amended plan in 1975. The prepayment was paid to the Trustee in June, 1975 and is being amortized over ten years for financial statement purposes (unamortized balance at July 31, 1980 is $87,856). Retirement plan costs charged to expense were $116,207 in 1980 and $86,799 in 1979. The increase in 1980 is due primarily to the actuarial amortization over 30 years of the $203,584 additional past service costs in the computation of WIBC's contribution.

The market value of the Retirement Plan Trust Fund exceeded the actuarially computed value of vested benefits at the latest valuation date (June 1, 1980).

2. Investment in Bowlers' Building Corporation

Bowlers' Building Corporation (BBC) is a nonprofit corporation formed in 1970 for the purpose of acquiring land in Milwaukee County, Wisconsin, and to construct, own, use, operate, and maintain thereon a building to be leased on a year-to-year basis to WIBC and American Bowling Congress (ABC). Revenue and expenses therefrom, are to be shared equally by the lessees. The investment as of July 31, 1980 and 1979, represents WIBC's 50% equity in BBC's net assets. WIBC's share of BBC's operating expenses is included in general and administrative expenses in the accompanying statement of revenue and expenses.

The following is a statement of changes in the investment in BBC during the years ended July 31, 1980 and 1979:

	1980	1979
Investment at beginning of year	$2,103,738	$2,155,800
Additional cash investment during the year	226,211	194,519
	2,329,949	2,350,319
Operating expenses — 50%	269,888	246,581
Investment at end of year	$2,060,061	$2,103,738

3. Commitments and contingent liabilities

A contract with ABC to guarantee payment of any deficit in the operation of American Junior Bowling Congress, Inc., continues in effect. Payments of such deficits are divided equally between WIBC and ABC. This agreement provides for automatic renewal on August 1 from year-to-year unless either party shall, at least 90 days prior to July 31, notify the other party to the contrary. Payments of $35,000 and $75,000 were made by WIBC under this contract for the years ended July 31, 1980 and 1979, respectively. WIBC has made a commitment to fund up to an additional $65,000 in fiscal 1981.

WIBC has authorized a contribution of $250,000 to National Bowling Council for fiscal 1981, the same amount paid for the years ended July 31, 1980 and 1979, respectively. The 1981 payment is contingent upon the authorization of like contributions from ABC, Bowling Proprietors Association of America, AMF, Inc., and Brunswick Corp.
